

Danco

Intelligent Electronic Article Surveillance System

ADS3300

Technical Parameter:

Scanning Frequency: **8.2MHz±0.05MHz**

Scanning Bandwidth: **7.7~8.7MHz**

Detecting Range: **140-220cm**

Alarm Volume: **High Medium Low (optional)**

Dimension: **1570*450*70mm**

Color: **Aluminium Alloy Primary Color Gray (optional)**

Application: High-grade garment store, digital product store, shopping plaza

- Assets - Protection
- Lose Reduction
- Profit - Improving

ADS6600

Technical Parameter:

Detecting Range: **140-220mm**

Scanning Frequency: **8.2MHz±0.05MHz**

Input Voltage: **24VDC**

Power Consumption: **≤24W**

Dimension: **1530*335*130mm**

Material: **Transparent Acrylic**

Color: **Aluminium Alloy Primary Color**
